

Spring 2021 Colloquia

Alicia Dickenstein

Universidad de Buenos Aires, Argentina

Algebra and geometry in the study of
enzymatic networks.

Abstract

I will try to show in my lecture that the
question in the title has a positive
answer, summarizing recent
mathematical results about signaling
networks in cells obtained with
algebra-geometric tools.

Zoom Meeting Info:

Date: 4/9/2021

Time: 2:30–3:30 PM

Link:

<https://utsa.zoom.us/j/94980575035?pwd=K3NRUU1iZ2FTMjNTVGhXNmFhRVITZz09>

Passcode: 3nzymatic

Meet-and-Greet (prior to talk):

2:00–2:30 PM
